AFTER SCHOOL CLASSES

MASTER BUILDERS LEGO CLUB

Calling all Master Builders! Bricks4Kidz "Master Builders LEGO Club" is back at Mountain Park! Come join us in building jaw-dropping, awesome and head-spinning LEGO models! In this advanced club, children will use our signature "Project 1 Kit" to build the most complex of our over 1,000 motorized models. This semester comes with a twist! We will introduce our "Master Builders" to our Star Wars, Batman, and other popular themes that are sure to bring their wildest dreams to life!

Students will be exposed to important S.T.E.A.M. concepts, gain important social and emotional learning skills, and grow their confidence in their own creativity and hands-on problem solving skills.
