2018 Spring and Summer Camp Schedule

2018 Camps & Descriptions:

Bricks 4 Kidz Jr. Engineers Camp – Ages 4.5 – 6.5: “PLANES, TRAINS & AUTOMOBILES” ... Designed for kids ages 4.5 to 6.5 this camp is great for the beginner builder. Our theme "Planes, Trains, & Automobiles" is a mix of building working vehicles with LEGO bricks, tech bricks, motors and battery packs. Kids will learn to read model plans, build a variety of motorized and non-motorized models. Fun, yet educational, this camp will reinforce counting, number recognition, fine motor skills, and your vehicle lover will LOVE building vehicles that really work!

Bricks 4 Kidz (Pokémon®) Pocket Brick Monsters Camp – Ages 6 - 11

LEGO® Bricks & Pokeman, anyone??? This camp is going to be Fun & Educational! Your child LOVES LEGO bricks! Your child LOVES Pokeman! Now we are combing the two! So, get ready for an adventure in the world of Pokémon®! Filled with lots of LEGO building of all things associated with Pokemon. Tap into your inner engineer as we build Treeko, Pikachu, Poké Balls, and more. Then we add LEGO motors & battery packs to our Pokeman Builds! Come Capture wild Pokémon® creatures as part of our fun games. Show off your skills as you battle for power in your journey through the Pokémon® universe. Do you have what it takes to become a Pokémon® Master? Kids take home a backpack, mini-fig, activity book and their very own POKEBALL, plus other fun prizes.

Bricks 4 Kidz Star & Galaxy Wars Space Themed Camp (Based on Star Wars): Ages 6 – 11 In this Star Wars inspired Camp, your missions are NOT impossible! Using LEGO bricks, motors, and battery packs, join us everyday as we complete our training missions and earn our badges to ultimately become Jedi Knights! Help us as we train with our light sabers, build attack shuttles, satellites, millennium falcon and more. Join us as we complete our scavenger hunt missions, rescue citizens taken into another galaxy, and earn our badges to become Jedi Knights! Don't miss the fun and excitement of our fun Star Wars Space themed camp, where we learn, build and play with LEGO bricks!

NEW* Bricks 4 Kidz Transforming Transformers Transformations Camp”: Ages 6.5 - 11 Transformer lovers get ready to build and be amazed at the cool transformations that your model can do! Based on the popular Transformers robots, you will love the mash up of combination models that can be transformed into something different. These awesome models include transforming into robot vehicles and more! Follow the step-by-step building plan and ignite your inner engineer by using your imagination to transform your model into something unique. Join us for this fun-filled camp where you will use your creativity and engineering skills to build and transform!

Bricks 4 Kidz GRAPHIC NOVEL Comic Creator - Ages 8+: Pow! Wow! Screech! Who's your favorite Graphic Novel Character? Who's your favorite LEGO Mini-figure? Come create your very own graphic novel, in our Graphic Novel Comic Creator Camp! You'll have loads of fun creating your own or using your favorites characters to develop your graphic novel story, design your graphic novel book sets & backdrops and incorporate pictures of your sets, all designed with LEGO® Bricks! Using computers, software, cameras, & imagination, kids will have tons of fun in this camp. At the end of the week, campers will be provided with a printed & digital copy of the graphic novel book they created.

Bricks 4 Kidz Video Game Design Ages 8.5 -12:

Do you dream of designing your own games that you can play? In our Video Game Design Camp, campers will develop a range of coding and problem-solving skills as they create fun video games. Game designers will think creatively, reason systematically, and work to create their video games. Students will be proud and excited to actually play their very own completed video games.

ALL NEW Bricks 4 Kidz Robotics LEGO “City” Camp - Ages 8+: Bricks 4 Kidz “City” Robotics camp offers all the fun of building with LEGO bricks, PLUS the challenge of coding what they build. In this fun, engaging, camp kids will Learn, Build, CODE, and Play with Robots built in a city. Kids will learn to use World Famous LEGO WeDo drag-and-drop icon-based computer software to program their robotic creations. This camp provides an introduction into the world of coding and robotics that will equip children to succeed in a technology-based marketplace.

Bricks 4 Kidz Animation Movie Making Camp – Ages 9+: Light, cameras, LEGO® action! Use LEGO® bricks to tell YOUR story, complete with music, special effects and all your favorite LEGO® minifigure characters! In this unique and creative camp, students will plan, script, stage, shoot, and produce their own mini-movie using **Stop Motion Animation**. Working as a team, students will use LEGO® components to build the set and props, then shoot their movie using a digital camera. Teams will use movie-making software to add special effects, titles, credits and more. When the movie is complete, campers will impress friends and family with a screening party on the last day of camp. Don’t miss your chance to be in the movies!

(Series of 1 Day 9-4pm Camps—Sign up for ONE or ALL, each day is different)
