“Great place... Super staff...  
Fabulous concept. And the kids  
had a ball! Thanks guys”

“Thank you  
for a wonderful birthday party. You  
and your team did an amazing job in entertaining  
17 five year old girls with LEGO® and party games.  
The families enjoyed catching up afterwards in the nicely set-up  
space upstairs. You were fabulous in getting everything to go  
smoothly for us from the ‘greet and  
settle’ to the ‘sugar-high farewells’.  
Thank you!”
