## Advanced Robotics: Mining & Crafting Ages 9-13

Step into the fusion of digital creativity and real-world robotics - perfect for aspiring engineers and programmers. Inspired by the imaginative world of Minecraft, this camp utilizes LEGO's innovative Spike Prime kit to transform virtual concepts into dynamic robotic creations.

## Arts & Crafts

Campers will be able to build with our technic, 3-D, & mosaic kits, which they can choose to keep! Bookmarks, picture frames, jewelry, room decor, pens pencil sharpeners, pencil holders and MORE!

**Ages 5 to 11**

## Game On: Mario Edition

**Ages 5 to 11**

Spend a week creating & building characters from popular video games - Super Mario Bros., Roblox, Beyblades, Pokemon and more!

## Master Challenge

**Ages 5 to 11**

Inspired by the dynamic LEGO Masters TV show - each day brings exciting new challenges, from constructing towering structures to engineering moving creations. It's a journey of innovation, teamwork, and endless fun.

## Mining and Crafting

**Ages 5 to 11**

Steve is jumping for joy as he introduces the newest member of his Minecraft world! Bring your virtual designs to life by building new mob figures, mosaics and custom models with LEGO bricks.

## Mysterious Case of the Missing Master Builder

**Ages 5 to 11**

Help the town of Bricksburg solve this mystery. Grab your magnifying glass, detective cap and brick separator to unravel clues, track down missing people and build lots of LEGO models to solve the case!

## Ninja Robotics

**Ages 5 to 11**

Ninjabot fans with spin with excitement as we learn basic robotics while building motorized models inspired by your favorite characters! You'll be programming models, customizing battle arenas & vehicles and battling mini-figures!

## Safari Adventures

**Ages 4 to 8**

We're going on an adventure where we'll learn and build favorite safari animals and objects. Snap imaginary photos of lions, elephants & chimps as you steer your brick Jeep or boat model through the jungle.

## Space & Galaxy Wars

**Ages 5 to 11**

NASA and Star Wars inspired, this camp will make your imagination blast off! We'll be learning about real-life space exploration while building models based on popular Star Wars ships. This week will be out of this world!

## Studio 2.0 3-D Design

**Ages 8 to 14**

Have you ever wanted to design your own LEGO set? Learn how to create anything you can imagine in an online platform designed for brick lovers like you. We will teach you how to use Studio 2.0 to turn your ideas into a 3-D virtual set.

## Super Hero Academy

**Ages 5 to 11**

Join us for a day of building Super Heroes with LEGO bricks! Build a fantasy world and protect it from enemies with custom contraptions made with LEGO bricks.

## Video Game Design

**Ages 7.5 to 12**

Campers will develop a range of coding & problem-solving skills as they create fun space-themed video games in the Scratch video game design software. Campers will be able to play their completed game & bring it home on a flash drive at the end of the week.

## WeDo 2.0 Robotics Exploration

**Ages 7 to 12**

Bring LEGO bricks to life with coding! Campers will develop skill level progression of coding concepts as they advance through multiple levels of difficulty. We'll build models with WeDo 2.0 and then control them with the codes we write.

## World of Wizards

**Ages 5 to 11**

Step into the World of Wizards, where the enchanting worlds of Harry Potter and Fantastic Beasts come alive through LEGO building! Young wizards will build mystical worlds, craft magical creatures, and concoct LEGO potions in a realm where imagination knows no bounds - the Bricks 4 Kidz way!
